

## Managing solidarity projects

[Lien vers la formation](#)

### LES POINTS FORTS DE LA FORMATION

- Des études de cas
- Des exercices pratiques
- Des travaux de groupe

### EN SUIVANT CETTE FORMATION, VOUS OBTIENDREZ

- Des formations labellisées HPass
- Une attestation de capacité Bioforce (sous réserve de l'obtention de la moyenne)

## COMPÉTENCES VISÉES

---

By attending this open course, you will understand and apply appropriate approaches and tools to effectively manage a solidarity project. And more specifically, you will know how to:

- Identify appropriate needs assessment methodologies and data collection tools, according to the context and the evaluation of terms of reference
- Describe the main steps in the design of multi-sectoral programmes and projects
- Design and use the Logical Framework based on the Logical Framework Analysis
- Design a monitoring and evaluation framework for the project, selecting the appropriate tools and indicators
- Choose relevant criteria in order to develop objectives for an ex-post evaluation (end of project evaluation)

## PROGRAMME

---

- Day 1: introduction to project cycle management and diagnostics
- Day 2: project design and planning
- Day 3: implementation, closure and evaluation

## PROFILS CIBLES

---

This training course is for you if:

- You are currently working with a national or international aid organisation and you wish to enhance your knowledge on project management methodology
- You are an aspiring aid worker aiming at strengthening your understanding of project management methodologies and tools
- You are currently working in logistics, finance, human resources... and you want to develop a career in the management of solidarity projects

Pre-requisite: none.

*Bioforce training courses are accessible to people with disabilities: a dedicated person is in charge of welcoming, monitoring and supporting people with disabilities before and during their training at Bioforce.*

## INSCRIPTION : LES ÉTAPES

---

### **Step 1: application**

Click on the « Register » button at the bottom of this page, and complete the form. You will then receive an email (remember to check your « spam » folder) giving you access to your Application Platform, where you can complete your application and pay your training fees (or download your training funding agreement). [Get a video preview of your Application Platform](#)

Please note:

- The application deadline is two weeks before the start of the course.
- Given the limited number of places available, we recommend that you apply as early as possible (particularly if you intend to benefit from financial support).

### **Step 2: registration**

Once we have received payment of the training fees (or funding agreement), and subject to availability of places, you are registered! You will then receive confirmation by e-mail, including all the practical details of the training course (location, detailed schedule, etc.). Enjoy your training!
